

# Crossing Borders Ministries Christmas Shoe Box Drive

It's already that time again, CBM Family .... Time we partnered together again to bring Christmas Joy to needy children along the Texas-Mexico border - can you believe it!?! We anticipate needing **1800 shoebox gifts!** Our efforts (yours and ours) over these past years have helped the pastors of Mexico expand their ministries and reach new "colonias" with the love and generosity of Jesus Christ (the One whose birthday we celebrate!) This Christmas, we will again collect Gift Boxes for them and the impoverished children they minister to in Mexico. We will be asking our pastor friends to give us the names of truly needy children in their communities – children who will have nothing for Christmas except what they receive through this ministry effort.
